

1 Short characterization:

VerkehrsRundschau A is the weekly independent magazine for transport and logistics. Regardless of transport type, it is aimed at all decision makers in all companies involved in organizing logistics supply chains: carriers, haulage contractors, and logistics service providers.

VerkehrsRundschau B is published 8x per year as the official newsletter of the professional organization of registered keepers of vehicles.

VerkehrsRundschau C is published 12x per year as the newsletter of the Technical Inspection Authority of Southern Germany, the Technical Inspection Authority of Northern Germany Mobility Ltd. & Co., and the Technical Inspection Authority Rhineland Group, as well as the newsletter of the German federal association for economy, transport and logistics.

VerkehrsRundschau reports on logistics, politics, legal and tax issues, management, markets & companies, IT & communications, and tests & technologies.

It offers a range of topics including news and personalities, trend topics, check lists, guidebooks, independent vehicle tests, and product and market overviews.

VerkehrsRundschau also includes an online service, a daily newsletter, the event academy, special publications, and a literature program.
