autop Masterlift 2.35 Saa 230

OPERATIVE RANGE:

Repair, maintenance and body repair

PARTICULAR FEATURES:

Swivel arm lift with a great lifting area for standard and special applications.

This swivel arm lift has been conceived for private cars, off-roaders and transporters. The access of the underbody is completely free.

The piston distance "2300 mm" allows an easy access even with very low cars. The vehicles can drive or be pushed through. The great lifting area covers nearly all the lifting points of the different vehicles.

The automatic and completely closed arm locking system gives a high level of safety.

A great range of different lifting pads allows a professional lifting of the different vehicles.

This lift offers an optimum of lifting technology - solid and nearly maintenance free - quality on the highest level and long lifetime.

autop Masterlift 2.35 Saa 230

TECHNICAL DATA:

Lifting capacity:	3,500	kg
Piston distance:	2,285	mm
Stroke length:	1,950	mm
Lifting height:	2,045 –2,370	mm
Standard pads:	<i>2,045 – 2,085</i>	mm
Lifting/lowering time:	approx 30	sec.
Foundation depth:	2,615	mm
Voltage:	230/400	V
	50	Hz
	16	Α
Pump unit:	3.0	kW

COMPONENTS:

- Two hydraulic cylinders made of micro-alloyed high grade steel with hard-chrome plated surface of cylinder and piston, cylinder running on teflon sliding rings.
- Support flange guide elements made of high quality special alloy, wear resisting.
- SPS-control unit: lifting height individually adjustable
- Flexible traverse cross arm, effective as synchronising/safety device as well as torsional lock.
- Pump unit integrated in the cassette.
- Push button control for lifting/lowering with lockable key switch/main switch and alarm signal as additional safety device. With integrated pneumatic emergency drain.
- Installation in a waterproof cassette, dipped galvanized and/or self-carrying on request.
- Two on-floor swivel arm bridges with double telescopic arms and height adjustable lifting pads as well as integrated automatic armlocking system.

STANDARD PAINT:

RAL 5019 blue **alternatively** RAL 7016 grey anthracite

SPECIAL PAINT:

On request

MOREOVER:
