Ford Fiesta

A photograph showing the interior of a Ford Fiesta. The driver's side airbag is deployed, covering the steering wheel. The passenger side airbag is also deployed, resting on the dashboard. A laptop is open on the passenger seat, displaying a software interface with the text 'Reading Data from Module' and 'Page 1', 'Page 2', 'Page 3'. Various cables and a green power supply unit are visible on the floor mat. The car's interior is black with silver accents.
